

Unit Three, Lesson Three – The Principle of Christian Character

Christian Character is the good fruit in our life that grows from having a real, committed relationship with God the Father through Jesus Christ. It is the result of God changing us to become more like Him in our actions, our responses, and the way we think.

What are some Christian character traits? A good place to start is with the fruit of the Spirit listed in Galatians 5:22-23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

Some other qualities of a Christian are humbleness, honesty and truthfulness, contentment, generosity, courage, forgiveness toward others, compassion, diligence, perseverance, and obedience. God is so amazing and so infinite; the list of His attributes goes on and on.
